

## Finding the Main Idea

# Anne of Green Gables

by Lucy Maud Montgomery

*Canadian author Lucy Maud Montgomery wrote Anne of Green Gables in 1908. It's the story of an orphan girl, Anne, who goes to live with Marilla and Matthew Cuthbert in their house called Green Gables. In this selection, a neighbor has entered the backyard of Green Gables.*

### Chapter I. Mrs. Rachel Lynde is Surprised

With this Mrs. Rachel stepped out of the lane into the backyard of Green Gables. Very green and neat and precise was that yard, set about on one side with great patriarchal willows and the other with prim Lombardies. Not a stray stick nor stone was to be seen, for Mrs. Rachel would have seen it if there had been. Privately she was of the opinion that Marilla Cuthbert swept that yard over as often as she swept her house. One could have eaten a meal off the ground without overbrimming the proverbial peck of dirt.
