Identifying Prepositions

Kick One Out!

A preposition shows a relationship between ideas in a sentence. Prepositions usually answer the questions *where* or *when*. They often tell the location of a person or an object in time or space.

In each of the questions below, three of the words given are common prepositions. One is not a preposition. Your job is to kick out the word that is not a preposition by crossing it out. The first one is done for you.

- | | | | | |
