# Periods and Capitalization

Below is a paragraph that needs punctuation! Rewrite the paragraph. Add periods at the end of the sentences and capital letters at the beginning of each sentence.

we went to the library yesterday there were many good books i picked a book about dogs my sister liked the book about stars we stayed for a long time we read our books when we got home

**We went to the library yesterday. There were many**

**good books. I picked a book about dogs. My sister**

**liked the book about stars. We stayed for a long time.**

**We read our books when we got home.**
