

# Subject and Predicate Tiles

Cut out the tiles on the dotted line. Match a subject to a predicate to make a complete sentence. Be careful! If you match the wrong subject and predicate, the sentence may be silly!

**The big green frog**

**jumped across the log.**

**My sweet grandmother**

**wore a blue dress.**

**The old shack**

**blew over in the wind.**

**My dog Barney**

**barked at the cat.**
