

# Transition Words

## Transition Words of Addition / Extension

Transition words lead the reader from one idea to the next. These transition words of addition and extension are used to add to a previous idea or extend the logic or argument.

**Example:**

**Furthermore, the student council has unanimously endorsed the revised calendar for the school.**

additionally

in addition

again

in the same way

also

last, lastly

and

likewise

besides

moreover

even more

next

finally

second, secondly, etc. (or in the second place)

first (or in the first place)

similarly

further

third (etc.)

furthermore

too
