

Name: _____

Write a Conclusion: Voting

In opinion or persuasive writing, the conclusion is very important. It is the last chance that the author has to convince the reader of the author's point of view. In many ways, it is like a summary of the entire piece. The conclusion should include a restatement of the opinion, a brief reminder of the main points, and a statement of why the issue and the opinion are significant.

Imagine a persuasion piece on the importance of voting. In the space below, write the conclusion, and only the conclusion, for the piece.
