Find your way through the candy maze.

# Candy Cane Maze

A festive candy-themed maze. The walls are made of red and white striped candy canes. The path is marked by a green line. The maze starts at an 'IN' label on the left and ends at an 'OUT' label on the right. The maze is filled with red circular candies and four large round lollipops at the corners. The path winds through the maze, avoiding the walls and candies.
