

The Coat Got Soaked on the Boat

Focus: Long "o" with _oa_ Words

Ken and Mike went on a boat.
 They went with their dad
 and their pet goat.
 Mike had a sweater,
 and Ken had a coat.

Mike put Ken's coat in the water
 to make it float.
 Ken's coat didn't float, it just got soaked.
 Their dad pulled it out and washed
 it with liquid soap.

The goat started to eat the boat.
 Ken used his coat to stop the goat.
 The coat and the goat were both soaked!
 That was their last trip on the boat.
