

# Latin and Greek Root Words: Geo and Terra

Latin and Greek are the source of many root words in English. *Geo* comes from the Latin word meaning “earth” or “ground.” *Terra/terr/ter* are from another Latin word meaning “earth” or “land.” When combined with a suffix or another root word, *geo* and *terra/terr/ter* become common English words. For example, *in* is a prefix meaning “in.” Combine *in* with *ter*, and you have the word *inter*. Based on its original meaning, *inter* means “in land” or bury a person in the earth.

Use the list of suffixes, word endings, and root words in the word bank to make five different English words out of *geo* and *terra/terr/ter*. You may add a prefix, an additional suffix, or change the spelling a little if needed. Write a sentence for each word you make and circle the word you made from the root word. Be sure and find words for both *geo* and *terra/terr/ter*.
