

Latin and Greek Root Words: Hydros and Vac

Latin and Greek are the source of many root words in English. *Hydros/hydro* comes from the Greek word meaning “water.” *Vac* is from a Latin word meaning “empty.” When combined with a prefix, suffix, or another root word, these root words become common English words. For example, the suffix -ology means “study” Combine *hydro* with -ology, and you have the word *hydrology*. Based on its original meaning, *hydrology* means “water study” or the branch of science that studies water.

Use the list of suffixes and word endings in the word bank to make five different English words out of *hydros/hydro* and *vac*. You may add a prefix or an additional suffix, or change the spelling a little if needed. Write a sentence for each word you make and circle the word you made from the root word. Be sure and find words for both *hydros/hydro* and *vac*.
