

Latin and Greek Root Words: Port and Scribe

Latin and Greek are the source of many root words in English. *Port* comes from the Latin word meaning “carry.” *Scribe/script* is from another Latin word meaning “write.” When combined with a prefix, suffix, or another root word, these root words become common English words. For example, the suffix -able means able to be done. Combine *port* with -able, and you have the word *portable*. Based on its original meaning, *portable* means “able to carry” or movable.

Use the list of prefixes in the word bank to make five different English words out of *port* and *scribe/script*. You may add an additional prefix or a suffix, or change the spelling a little if needed. Write a sentence for each word you make and circle the word you made from the root word. Be sure and find words for both *port* and *scribe/script*.
