

# Pumpkin Pie Maze

Find your way through the pie maze from start to end.

# Pumpkin Pie Maze

Find your way through the pie maze from start to end.

The maze consists of a grid of yellow and white squares. The path is a red line that starts at a pie with a 'Start' sign in the top-left corner. The path moves right to the second square, then down to the third square, left to the fourth square, up to the fifth square, left to the sixth square, down to the seventh square, left to the eighth square, down to the ninth square, right to the tenth square, down to the eleventh square, left to the twelfth square, down to the thirteenth square, right to the fourteenth square, down to the fifteenth square, right to the sixteenth square, down to the seventeenth square, and finally down to the eighteenth square, which has an 'End' sign.
